Ordinary Business of the Annual General Meeting

The following notes set out the detail of the ordinary resolutions to be proposed at the Annual General Meeting:

Item 1 – Financial Statements and Reports

This item is self explanatory. It is intended to provide an opportunity for shareholders at the Annual General Meeting to raise questions on the Financial Statements and Reports themselves and on the performance of the Company generally.

No formal vote is required in relation to item 1.

Item 2 – Resolution – Remuneration Report

During this item, there will be a reasonable opportunity for shareholders at the Annual General Meeting to comment on and ask questions about the Remuneration Report which commences on *page 34* of the Company's 2014 Annual Report.

The vote on the proposed resolution in item 2 is advisory only and will not bind the directors or the Company. However, the directors will take the outcome of the vote into consideration when reviewing remuneration practices and policies.

In addition, pursuant to amendments to the *Corporations Act 2001 (Cth)* which took effect in 2011, if:

- at the Company's 2014 Annual General Meeting, at least 25% of the votes cast on the resolution that the Remuneration Report be adopted are against the adoption of the Remuneration Report; and
- at the Company's 2015 Annual General Meeting, again at least 25% of the votes cast on the resolution that the Remuneration Report be adopted are against the adoption of the Remuneration Report, then at the Company's 2015 Annual General Meeting the Company must allow shareholders to vote on a resolution that:
 - another general meeting (the "spill meeting") of the Company's shareholders be held within 90 days; and
- all of the directors of the Company (other than the managing director who will remain in office) cease to hold office immediately before the end of the spill meeting; and
- resolutions to appoint persons to the offices (ie, as directors) that will be vacated immediately before the end of the spill meeting be put to a vote at the spill meeting.

Voting Exclusion Statement

A voting exclusion statement in respect of the resolution in item 2 is set out in the Notice of Meeting. As disclosed in the Notice of Meeting and the proxy form, if you complete a proxy form that authorises the chairman to vote on your behalf as proxy holder, and you do not mark any of the boxes so as to give him directions about how your votes should be cast, then your proxy will automatically become a directed proxy in favour of the resolution to adopt the Remuneration Report, and the chairman will vote accordingly.

Explanatory Notes

FORMING PART OF THE NOTICE OF ANNUAL GENERAL MEETING AND THE PROXY FORM

Voting Exclusion Statement continued

If you wish to appoint the chairman as your proxy holder but you do not want to put him in a position to cast your votes in favour of the Remuneration Report, you should complete the appropriate box on the proxy form, directing him to vote against or abstain from voting on this resolution.

The directors recommend that shareholders vote in favour of the resolution in item 2.

Item 3.1 – Resolution – Election of Mr RM Smith

Mr Ray Smith has been a director of the Company since February 2008. Mr Smith is Chairman of the Company's Audit Committee. Mr Smith retires by rotation in accordance with the Constitution of the Company and the ASX Listing Rules and, being eligible, offers himself for re-election.

Item 3.2 – Resolution – Re-election of Mr JL Winser

Mr Winser has been a director of the Company since August 2013. Mr Winser is a member of the Company's Nomination & Remuneration Committee and Environmental Committee. Mr Winser retires by rotation in accordance with the Constitution of the Company and the ASX Listing Rules and, being eligible, offers himself for re-election.

The directors (in each case excluding the relevant director) recommend that shareholders vote in favour of the resolutions in items 3.1 and 3.2.

Special Business of the Annual General Meeting

Item 4 – Resolution – Approval of issue to Related Parties under the Employee Share Plan

The Board seeks shareholder approval under Listing Rules 10.12 and 10.14 for the proposed issue of up to 30,000 fully paid ordinary shares to Mr Paul Sarant, managing director of the Company, under the terms of the K&S Corporation Limited Employee Share Plan ("Plan") over the period of 3 years following the passing of the resolution in item 4.

Listing Rule 10.11 requires a listed entity to obtain shareholder approval for the issue of securities to related parties, which includes a director of the Company.

Listing Rule 10.12, Exception 4 provides that approval under Listing Rule 10.11 is not required where securities are to be issued to a person under an employee incentive scheme that has been approved under Listing Rule 10.14.

Listing Rule 10.14 requires a listed entity to obtain shareholder approval for the issue of securities under an employee incentive scheme to certain parties, including a director, or an associate of a director, of the Company.

Accordingly, the Company is required to obtain shareholder approval before issuing shares to Mr Sarant.

The resolution in item 4 seeks shareholder approval for the proposed issue of shares to Mr Sarant under the Plan.

The Board considers that the issue of shares to Mr Sarant under the Plan is in the Company's interests as it aligns the interests of the managing director with the interests of the Company's shareholders.

The issue of shares to Mr Sarant under the Plan will be on the same terms and conditions as issues to other eligible employees under the Plan approved by shareholders at the Company's annual general meeting on 21 November 2006.

Listing Rule 10.15A sets out the information that must be provided to shareholders in order to obtain shareholder approval. The following information is provided in accordance with Listing Rule 10.15A.

Persons entitled to participate

The person who may acquire shares under the Plan is Mr Paul Sarant, managing director of the Company.

Maximum Entitlement

The maximum number of shares that may be issued to Mr Sarant under the Plan over the period of 3 years following the passing of this resolution is 30,000 shares. This is based on the offer of an entitlement to 10,000 shares in September of each year over the period of 3 years following the passing of this resolution and the basis that Mr Sarant's salary will exceed \$200,000 per year in respect of that 3 year period. Mr Sarant's salary for the relevant periods will be reported to shareholders in the Company's Remuneration Report in accordance with the Corporations Act.

Price

The price payable by Mr Sarant for his shares will be the volume weighted average price of the Company's shares on the first 5 trading days immediately following the announcement of the Company's preliminary final result prior to the offer of shares in September of each calendar year.

Persons who received shares since last approval

At the Company's annual general meeting held on 20 November 2012, approval was obtained from shareholders for the issue to the Company's former Managing Director, Mr Stevenson, of up to 30,000 shares over the following 3 years under the Plan. Mr Stevenson did not apply for, and accordingly was not issued, any shares under the Plan following the giving of that approval by shareholders.

Voting Exclusion Statement

A voting exclusion statement in respect of the resolution in item 4 is set out in the Notice of Meeting.

Loan

At the time of each issue of shares to Mr Sarant under the Plan, Mr Sarant will be entitled to an interest free loan to fund the acquisition of each issue of shares. The terms of the loan to be provided to Mr Sarant are the same as offered to all other eligible employees participating in the Plan.

Annual Report

Details of any shares issued under the Plan will be published in each annual report of the Company relating to the period in which securities have been issued with a statement that approval for the issue of the shares was obtained under Listing Rule 10.14.

Issues to additional persons

Any additional person who is prevented by Listing Rule 10.14 from acquiring shares under an employee incentive scheme without shareholder approval, who becomes entitled to participate in the Plan and who is not named in the Notice of Meeting will not participate in the Plan until approval is obtained under Listing Rule 10.14.

Date of Issue

Mr Sarant has been offered, and has elected to apply for, 10,000 shares under the offer made to other eligible employees under the Plan in September 2014. The price for those shares is \$1.46/share (ie, \$14,600 in total), being the volume weighted average price of shares in the Company on the five trading days following the release of the Company's full year results on 26 August 2014. That offer of shares is conditional upon the giving of approval by shareholders in accordance with Resolution 4. If shareholders approve Resolution 4, these shares will be issued to Mr Sarant on or about 28 November 2014.

Thereafter, it is proposed that Mr Sarant will be entitled to subscribe for shares in the Company in September of each year along with other eligible employees under the Plan. The date by which the Company will issue all of the shares referred to in the resolution in item 4 is 25 November 2017, being the date that is 3 years after the date of the annual general meeting.

The directors (excluding Mr Sarant) recommend that shareholders vote in favour of the resolution in item 4.

Item 5 – Resolution – Approval of the issue to Related Parties under the Short Term Incentive Scheme

The Board seeks shareholder approval under Listing Rules 10.12 and 10.14 for the proposed issue of up to 129,310 fully paid ordinary shares to Mr Paul Sarant, managing director of the Company, under the terms of the K&S Corporation Limited Short Term Incentive Scheme ("STI") over the period of 3 years following the passing of the resolution in item 5.

The STI applies for the year ended 30 June 2015 and, subject to any changes that may be made by Directors, in subsequent years. Persons entitled to participate in the STI are eligible to receive from 2% up to a maximum of 20% of their base salary as a short term incentive if the Company exceeds its budgeted profit after tax (excluding any profit benefits that may be realised from acquisitions or abnormal items, unless those items were included in the budgeted net profit after tax against which STI entitlements are to be determined) based on a sliding scale from minimum outperformance of budget of 100.5% up to outperformance greater than 118%.

Listing Rule 10.11 requires a listed entity to obtain shareholder approval for the issue of securities to related parties, which includes a director of the Company.

Listing Rule 10.12, Exception 4 provides that approval under Listing Rule 10.11 is not required where securities are to be issued to a person under an employee incentive scheme that has been approved under Listing Rule 10.14.

Listing Rule 10.14 requires a listed entity to obtain shareholder approval for the issue of securities under an employee incentive scheme to certain parties, including a director, or an associate of a director, of the Company.

Explanatory Notes

FORMING PART OF THE NOTICE OF ANNUAL GENERAL MEETING AND THE PROXY FORM

Item 5 – Resolution – Approval of the issue to Related Parties under the Short Term Incentive Scheme continued

Accordingly, the Company is required to obtain shareholder approval before issuing shares to Mr Sarant under the STI.

The resolution in item 5 seeks shareholder approval for the proposed issue of shares to Mr Sarant under the STI.

The Board considers that the issue of shares to Mr Sarant under the STI is in the Company's interests as it aligns the interests of the managing director with the interests of the Company's shareholders.

The issue of shares to Mr Sarant under the STI will be on the same terms and conditions as issues to other eligible members of the Company's Executive Team under the STI, including that any entitlements payable to Mr Sarant and other participants in the STI will be paid as to fifty percent of that entitlement in cash and fifty percent of that entitlement in fully paid ordinary shares issued by the Company.

Listing Rule 10.15A sets out the information that must be provided to shareholders in order to obtain shareholder approval. The following information is provided in accordance with Listing Rule 10.15A.

Persons entitled to participate

The person who may be issued shares under the STI, and for which approval is sought from shareholders, is Mr Paul Sarant, managing director of the Company.

Maximum Entitlement

The maximum number of shares that may be issued to Mr Sarant under the STI over the period of 3 years following the passing of this resolution is 129,310 shares. This is based on Mr Sarant qualifying for the maximum entitlement payable under the STI in each year (being 20% of his base salary) and on the basis that Mr Sarant's current base salary of \$600,000 per annum may increase over that 3 year period up to \$625,000 in the year ended 30 June 2016 and \$650,000 in the year ended 30 June 2017¹.

A notional share price of \$1.45/share has been used for the purposes of calculating the maximum number of 129,310 shares to be issued to Mr Sarant over the period of 3 years following the passing of Resolution 5. If the Company's share price increases over the period of 3 years following the passing of Resolution 5, the maximum number of shares that may be issued to Mr Sarant under the STI will be less than 129,310 shares.

The issue price for shares under the STI is the volume weighted average price of the Company's shares on the first five trading days of July following the conclusion of the financial year in respect of which the STI entitlement is to be determined. Where an STI entitlement arises in respect of a financial year, the STI entitlement will not be paid (and shares will not be issued) until the Company's auditors have issued an unqualified audit opinion in respect of the relevant financial year.

Mr Sarant's salary for the relevant periods will be reported to shareholders in the Company's Remuneration Report in accordance with the Corporations Act.

Price

As noted above, the price payable by Mr Sarant for his shares will be the volume weighted average price of the Company's shares on the first 5 trading days immediately following the conclusion of the financial year in respect of which the STI entitlement (if any) is to be determined.

Persons who received shares since last approval

No previous issues of shares have been made under the STI.

Voting Exclusion Statement

A voting exclusion statement in respect of the resolution in item 4 is set out in the Notice of Meeting.

Annual Report

Details of any shares issued to Mr Sarant under the STI will be published in each annual report of the Company relating to the period in which securities have been issued with a statement that approval for the issue of the shares was obtained under Listing Rule 10.14.

¹ The quoted amounts of \$625,000 and \$650,000 for Mr Sarant's base salary in respect of the years ended 30 June 2016 and 30 June 2017 are indicative only and have been used purely for the purposes of calculating the maximum number of shares that may be issued to Mr Sarant under the STI pursuant to Resolution 5. The Directors of the Company are not bound to increase Mr Sarant's base salary to these amounts, nor are the Directors of the Company constrained to limit Mr Sarant's base salary to these amounts. If, and to the extent that, Mr Sarant's base salary exceeds the quoted amounts of \$625,000 and \$650,000 in respect of the years ended 30 June 2016 and 30 June 2017 respectively, and consequently his entitlement to shares under the STI may exceed the maximum number of shares approved by shareholders pursuant to Resolution 5, the Company will reduce the number of shares issued under the STI to comply with that cap and will gross up the cash component of Mr Sarant's STI entitlement. For a full explanation of the philosophy of Directors in relation to remuneration, shareholders are referred to the Remuneration Report which commences on page 34 of the Company's 2014 Annual Report.

Issues to additional persons

Any additional person who is prevented by Listing Rule 10.14 from acquiring shares under an employee incentive scheme without shareholder approval, who becomes entitled to participate in the STI and who is not named in the Notice of Meeting will not participate in the STI until approval is obtained under Listing Rule 10.14.

Date of Issue

Subject to the qualifying hurdles under the STI being met for a particular financial year, Mr Sarant will be entitled to be issued shares in the Company immediately following the provision by the Company's auditors of an audit certificate in respect of the Company's full year statutory accounts for that year (ie, in or about the last week of August of each year) along with other eligible employees under the STI. The date by which the Company will issue all of the shares referred to in the resolution in item 5 is 25 November 2017, being the date that is 3 years after the date of the annual general meeting.

The directors (excluding Mr Sarant) recommend that shareholders vote in favour of the resolution in item 5.

If Resolution 5 is not approved by shareholders, the Company reserves the right to pay STI entitlements (if any) to which Mr Sarant becomes entitled exclusively in cash.
